## Message from the Principal

Education in our school is about making a difference in the lives of children. It is about helping them to gain the knowledge, skills, and attributes necessary to enable them to fully embrace challenges and to achieve personal and academic excellence. We are a community that places a high priority on quality teaching and learning, a community where good character matters, and a community that values our students.

The staff at Mannville School will continually go above and beyond to provide your children with the best learning experiences and opportunities possible. A visit in our building will reveal a dedicated and professional staff that has high expectations for themselves and their students.

Please do not hesitate to call or email if you have any questions or concerns. We look forward to establishing a positive relationship with all our families and wish you all a very successful, enjoyable, and memorable school year.

Principal,

Mrs. Kimberly DeFord

# ABOUT Mannville School

## Mission:

Mannville School engages and empowers a community of continuous learners by creating opportunities for maximizing student growth and leadership, in a safe and caring environment.

## Vision:

Mannville School empowers students to be caring, responsible, and active global citizens with a passion for learning.

## Values:

Mannville school values the ideology of being #royalsstrong. The ROYALS acronym is composed of;

- Respect those around us
- Own our own actions and attitude
- You are in charge of change
- Accepting and accountable
- Listen, learn, and lead
- Support a safe environment

## School Profile:

Mannville School is a K-12 school providing education for students in the Mannville community and surrounding area. Serving approximately 200 students, with a staff of 13 teachers. We are very proud of all our ROYALS and we endeavor to support all of our students to achieve success in their academics, athletics, and ultimately for their lives as lifelong learners. It is our goal that along with teaching academics, we foster students' development in their relationships, identity, emotional skills, and overall well-being.

Mannville School offers a variety of programming that maximizes student learning. At the high school level, Mannville school offers CTF and CTS programming in addition to work experience, RAP, Green Certificate, and various asynchronous learning opportunities. We believe that each child's learning is unique and students' needs are met using a strengths based approach and

differentiated instruction. We continue to build a capacity for strong literacy and numeracy programs supported by a RTI framework.
