Mannville School 2023-2024

March 7th

# WHAT GUIDES US?

## The role of school council

School council members work together to support and enhance student learning. They provide a way for members of the community to consult with and offer **advice** to principals and school boards.

Discussion Items for school council need to be on the agenda in advance. Please see the Conflict Resolution Process to address concerns.

School Review Information Letter

Your school is placed on the **No School Review Recommended** list. Here is a summary of your school's information:

- The enrollment has increased by 14 students from last year and is the highest it has been over the past 5 years. The lowest population is in high school, so it is anticipated to maintain or grow in enrollment.
- Mannville continues to have a low utilization rate.
- Provincial achievement tests are at or above the provincial average and diploma exam results are lower than the provincial average.
- High School completion rates are high or maintained.
- Dropout rates are low.
